Gunther von Hagens' exhibit the BODY WORLDS has been seen by 26 million people world-wide. This exhibit includes a special feature on the brain inspired by the latest findings in neuroscience on brain development and function, brain disease and disorders, and brain performance and improvement.

The exhibit is being held at the San Diego Natural History Museum, Sunday through Thursday, 10am – 7pm, Friday and Saturday, 10am- 9:30pm. Tickets are available online at: www.sdnhm.org, or by phone at (877) 946-7797.

Real Humans. Real Science. Real Amazing. An event not to be missed!
