

Brain Injury Alliance of SC 6th Annual Golf Tournament Oak Hills Golf Club, Columbia, SC Monday, November 9, 2009 Sponsorship Levels

The Brain Injury Alliance of South Carolina is dedicated to creating a better future through brain injury prevention, research, education and advocacy. We were established by individuals with brain injury, their families and concerned professionals in an effort to provide information and support to children and adults who have experienced a brain injury. We are the only nonprofit organization in the state dedicated to preventing and helping those with brain injury. Our golf tournament is one of our annual fund-raising events that help to support our programs. Thank you for your support.
