Spring Break 2010

The Brain Injury Association of Indiana is hosting the Second Annual Spring Conference Event.

The intent of "Spring Break 2010" is to reward, inspire, and educate individuals and families who deal with brain injury every day. Our morning speakers will discuss what the Brain Injury Association of Indiana is doing for you. Afternoon speakers will provide information on community reintegration, state resources, and advocacy for long term success.

Our luncheon speaker, Lynn Shaw, will entertain and share the importance of laughter in life. The conference is free and open to the first 200 registrations received before March 10, 2010.
