Recognition of Commitment to Excellence in Care

The Academy of Certified Brain Injury Specialists (ACBIS), a standing committee of the Brain Injury Association of America, offers brain injury service providers an opportunity to achieve specialized recognition for its staff of Certified Brain Injury Specialists and Certified Brain Injury Specialist Trainers.

ACBIS ALLIANCE

The ACBIS Alliance recognizes and honors providers of brain injury services that support and encourage national certification

for their staff and thereby demonstrate a commitment to provide higher quality services to persons with brain injury. Membership communicates to both internal staff and external partners that the organization is committed to excellence in care through the training and certification process.

If your organization meets the minimum level for staff certification, you are eligible to join your peers in the Alliance and enjoy its exclusive benefits:

- Acknowledgment letter to CEO.
- Display plaque.
- Permission to use the Alliance designation (if active for that year) in the company's or facility's marketing, promotion materials and Web site.
- Listing on the ACBIS website as an Alliance member.

“

Alliance membership reflects an organization's commitment to staff training through national certification and demonstrates dedication to service excellence and quality standards for brain injury treatment providers.
