THE VOICE OF BRAIN INJURY
WHO WE ARE

BIAA provides help, hope and healing to the 5.3 million Americans living with a disability related to a brain injury.

The Brain Injury Association of America (BIAA) is the country’s oldest and largest brain injury advocacy organization. Founded in 1980, our mission is to advance awareness, research, treatment, and education and to improve the quality of life for all people affected by brain injury.

- BIAA’s National Brain Injury Information Center (NBIIC) responds to more than 20,000 requests for information and support each year.
- Our programs educate millions of individuals with brain injury, family caregivers, clinicians, and researchers.
- As the only brain injury organization with full time representation in Washington, D.C., BIAA makes the brain injury case to legislators and opinion leaders nationwide.
- BIAA’s Academy of Certified Brain Injury Specialists has certified more than 20,000 professionals.

Who We Serve

Brain injury does not discriminate. It strikes without regard to race, class, or gender. A chronically underfunded neurological disease, brain injury can strike in an instant and leave a person with a lifetime of disability. It affects more than just the individual with brain injury – it also puts an immense strain on family, friends, and caregivers. BIAA’s advocacy work, educational programs, and support services help all impacted by brain injury to know they are not alone.
BRAIN INJURY IS A SILENT EPIDEMIC

More than 3.5 million children and adults sustain an acquired brain injury (ABI) each year.

More than 3 million individuals with brain injury require lifelong assistance performing activities of daily living.

On average, caregivers spend 84 hours assisting loved ones each week.

The estimated lifetime cost of care for a person with brain injury can exceed $4 million.

One in every 60 people in the U.S. lives with a brain injury-related disability.

88 percent of people want to hear how companies are supporting causes.

NEWSLETTERS

Policy Corner
BIAA publishes an electronic newsletter, Policy Corner, to inform and engage more than 4,000 grassroots advocates nationwide about the latest news from Capitol Hill.

BIAA’s ACBIS Insider
The official electronic newsletter of the Academy of Certified Brain Injury Specialists reaches 14,000 professionals in the field of brain injury.

BRIEFS AND FACT SHEETS

Legislative Issue Briefs
Associate your organization with current public policy issues in research, access to care, program development, and more. Issue briefs are circulated to Congressional offices during Capitol Hill fly-ins. They are also downloaded by advocates from our web page for use when meeting with legislators in their home states.

Information and Resource Fact Sheets
Aid in disseminating general information about brain injury or position your organization as an expert in anoxia, coma stimulation, or any other topical issue. Sponsors may generate their own content for fact sheets with BIAA’s approval.

PRINT PUBLICATIONS

BIAA publishes pamphlets, guides, training manuals, and other materials for individuals with brain injury, family caregivers, professionals, and the general public. Published materials have a multi-year shelf life and are sold at bulk and single copy prices in BIAA’s online Marketplace.

For more information regarding advertising opportunities in our publications, contact Carrie Mosher, sales manager, at cmosher@biausa.org.
National Brain Injury information Center (NBIIC)
NBIIC is a free information and resource service provided via telephone and email. The 20,000 inquiries received each year are routed directly to BIAA’s state divisions and affiliates, which then provide personalized resources to every person who contacts us.

Brain Injury Awareness Month Campaigns
BIAA leads the nation in observing Brain Injury Awareness Month by conducting an awareness campaign in March each year. Campaign materials are distributed online, at Capitol Hill, and at various state events.

Brain Injury Business Practice College
BIAA’s annual conference is presented for business owners, c-level executives, and marketing professionals from the nation’s top brain injury rehabilitation programs and long-term care facilities. Focused on today’s most pressing business challenges, the College offers world-class education and powerful networking opportunities.

Affiliate Leadership Conference
BIAA hosts the State Affiliate Leadership Conference each year to bring together state BIA staff and volunteer leaders to share ideas on how to more effectively serve their members and communicate with one another on a nationwide level. The program offers the highest caliber, most sought-after trainers and speakers.
