

## We're proud to support the Academy of Certified Brain Injury Specialists.

The Brain Injury Association of America's Academy of Certified Brain Injury Specialists (ACBIS) is the largest national program providing education, training, certification, and ongoing resources for multi-disciplinary specialists in the brain injury community. ACBIS offers a voluntary certification program for professionals working in brain injury services to earn a nationally recognized credential: Certified Brain Injury Specialist (CBIS).

The current total number of regularly staffed professionals at **[Organization name]** who have earned and are maintaining this certification is **[insert number]**. This number signifies **[Organization name]**'s commitment to excellence in its rehabilitation programs and to helping the people we serve.

**[Organization name] values CBIS certified staff, who understand the unique needs of persons recovering from brain injury and stay abreast of current resources in the field.**

**Get certified and join the 7,000 professionals with CBIS certification nationwide who are improving the lives of individuals with brain injury every day.**

**Visit [biausa.org/acbis](https://biausa.org/acbis) to learn more.**
